

Combinability of UR20 fieldbus couplers with I/O modules

Kombinierbarkeit von UR20-Feldbuskopplern mit I/O-Modulen

Some I/O modules are only supported from a certain firmware version of a fieldbus coupler. Please refer to the release notes of the respective fieldbus coupler for a current overview. The release notes are available for download from the [Weidmüller Website](#).

Einige I/O-Module werden erst ab einer bestimmten Firmware-Version eines Feldbuskopplers unterstützt. Eine aktuelle Übersicht finden Sie in den Release-Notes zum jeweiligen Feldbuskoppler. Die Release-Notes können Sie von der [Weidmüller Website](#) herunterladen.
