

Change of packaging – Step2 -

Dear Madam or Sir,

the below listed articles will be supplied in a modified packaging. Please pass this product information on to your employees and, if needed, to your customers. All modifications are performed for reasons of product improvements.

1. Initial situation

Due to key advantages and positive experience with other product series the attached male headers are also changed to sorted packaging.

2. Technical change

The new type of packaging contains tray inserts, which in turn are inserted in Weidmüller printed cardboards

3. Reason for change

Benefits of sorted packaging:

- Avoidance of damage during transportation and ensure a high-quality lever
- Standardized packaging size and thereby easier handling

4. Availability

- Step 2 will be started in Q3/2019
- During determining of new packaging unit, the capacity of the tray insert is decisive
- There will be no specific stock clearance
- Previously packaged items will continue to be delivered until inventory is exhausted
- Order-No. and price per 100pcs. won't be changed

5. Affected parts – Step 2
